This is to certify that the above named and described horse has been registered in the stud book of the Foundation Quarter Horse Association. Such acceptance being based upon an application, submitted by the owner at the time of registration. The horse registered on this certificate carries 85% or above foundation Quarter Horse blood as verified by an FQHA office calculation. From 2018 forward, FQHA Membership status, in lieu of a separate membership card, is included on the front of each horse's FQHA Registration papers. This certificate is issued with the right to correct and/or cancel.

EXECUTIVE SECRETARY

The name entered above is the present owner of this horse as shown on the records of the Foundation Quarter Horse Association. Record of previous owners are on file with the Foundation Quarter Horse Association office. To transfer the above described horse, visit the FQHA website by clicking on the transfer link and paying the \$10 transfer fee, or use the form on the backside of this certificate to pay by check and send by regular (USPS) mail. You must be a current FQHA member to transfer ownership of a horse. The transfer of ownership will then be noted at the FQHA office and a new certificate will be mailed to the new owner. Refer to the FQHA website for current fees and contact information.
